Organized by  
- TANKER FOUNDATION  
- KERALA KIDNEY RESEARCH FOUNDATION  
- NEPHROLOGY ASSOCIATION OF KERALA  
- DEPARTMENT OF NEPHROLOGY SGMMH

Venue: SGMMH Parumala  Date: 4th August 2019
Dear Colleagues,

It gives us immense pleasure, joy and pride in inviting you to KIDNEY UPDATES 2019. We are bringing together senior experts in Clinical Nephrology and Nephro-pathology that will provide you with unparalleled experience in recent time.

SGMMH Parumala began as a small 50 bedded hospital with only 3 departments in 1975. It has now grown in to a Multi speciality Hospital with most modern facilities. We have started Haemodialysis facility for HIV Positive patients, perhaps the only one in the region, under the guiding mentor ship of DR. GEORGI ABRAHAM through the THINKER AND KKR FOUNDATION.

Please Block your date and join for a rich academic fiesta on 4th August 2019.

Regards,

Organizing Committee:

**Patrons**
- Fr. M.C. Paulose
- Dr. Georgi Abraham
- Dr. Kasi Vishweswaran

**Organizing Committee**
